Assistant Deputy Director (Administration)

9 May 1951

Task Force

Follow-up Action on Senior Review Committee Recommendations

1. At a meeting held on 22 March 1951 the Senior Review Committee considered the recommendations contained in the Task Force paper pertaining to "Per Diem Policy" copy of which is attached hereto as TAB A. The Committee agreed to the publication of the proposed instruction after the General Counsel had amended paragraphs 7 and 8. However, this instructions has never been published.

2. At a meeting held on 7 April 1951 the Senior Review Committee considered the recommendations contained in the Task Force paper pertaining to "Duplicate Coverage Under Retirement and Social Security Acts," copy of which is attached hereto as TAB B. In checking the minutes of that meeting it is noted that the Committee....:

"Agreed that it would be possible to arrange a workable system with the other Government agencies involved and further agreed that the General Counsel and Director of Personnel will endeavor to work out an acceptable arrangement which will protect our employees under all circumstances. When General Counsel and Director of Personnel have reached an agreement or impasse they will report back to the Committee".

3. Recommend follow-up action necessary to complete the two items listed above.
